Instructions for use

Dear customer,
thank you for choosing the **secuENTRY pro 7073 ENROLMENT**.
With the help of the **secuENTRY pro 7073 ENROLMENT** you can
save finger scans and transponders in the secuENTRY software.

Via the provided USB cable a connection between the **secuENTRY
pro 7073 ENROLMENT** unit and the computer is established, a
software for installation is not needed. You can find additional
information in the user's manual of the secuENTRY software.

The following image shows the reading areas of the ENROLMENT
unit:

❶ RFID Reading area
❷ Fingerprint sensor

Ill.1: Reading areas

Reading of transponders

Lay the transponder onto the RFID reading area of the **secuENTRY
pro 7073 ENROLMENT** unit.

Ill.2: Reading-placement of the transponder

Via the user administration of the secuENTRY software, transponders
are being registered with a right click in the "Serial Number" field,
under "Learning-In"➜"Transponder".

Ill. 3: secuENTRY software

The serial number of the transponder is filled in automatically.

Reading of fingerprints

Via the user administration of the secuENTRY software, fingerprints
are being read with a right click on the field "FS1" resp. "FS2"
"Learning-In".

Ill.4: secuENTRY software

The software will guide you through the next steps. To register your
fingerprint, you need to move your finger in direction of arrow over
the sensor.

Ill. 5: Direction of movement while reading the finger

Description of LED display

Placed in the upper range of the secuENTRY pro 7073 ENROLMENT unit
there are two coloured LEDs.

Green LED: Readiness for a successful learning in.
Green LED flashing: Data transfer.
Red LED: Finger not accepted.

Warranty

To provide you with a qualitative impeccable and valuable product and to
optimally help you in the case of service or repair, it is necessary that flawed
or defective devices are handed back to your retailer together with the QR
code/-s and the original proof of purchase.

With returning according to your cancellation right, all components need
to be in factory setting. In the case of a disregard, warranty expires.

Disposal of your device

Dear customer,

Please help us avoid unnecessary waste. Should you intend to dispose of this
device at any time, please remember that many components of this device
contain valuable materials that can be recycled.

Please be aware that electrical and electronic equipment and
batteries marked in this way must not be disposed of with household
waste but collected separately. Please obtain information on the
collecting points for electrical waste from the responsible authority
of your city/municipality.

CE BURG-WÄCHTER KG hereby declares that this device complies with the
Directives 2014/53/EU (RED), 2014/30/EU (EMC) and 2011/65/EU (RoHS).

The complete text of the EU Declaration of Conformity is available at
